VOL. 40 NO. 9

Labor Day – this is about American workers and the ethics and industry of individuals that has collectively made this country a blessed place to live. As we once again observe this national holiday, let's reflect on how labor factors into our blessings. In most cases, we have what we have because we work for it. We do this with the abilities, the time and the opportunities that God gives us, so we needn't look down on those who cannot and need our help.

However, the attitude of entitlement that has gained influence in our culture must be countered with the truth. God's Word gives us guidance on this topic, as on all others; we just have to look for it. A simple search in a Bible reference for the term "labor" leads us to some relevant verses. Many of us are familiar with I Corinthians 3:8, "The one who plants and the one who waters have one purpose, and they will each be rewarded according to their own labor."

Deuteronomy 5:13 tells us "Six days, you shall labor and do all your work."

In Luke 10:7, the Lord Jesus is quoted, telling His disciples, "...the laborer is worthy of his hire."

Again in Paul's first letter to Timothy 5:18, "The laborer is worthy of his reward."

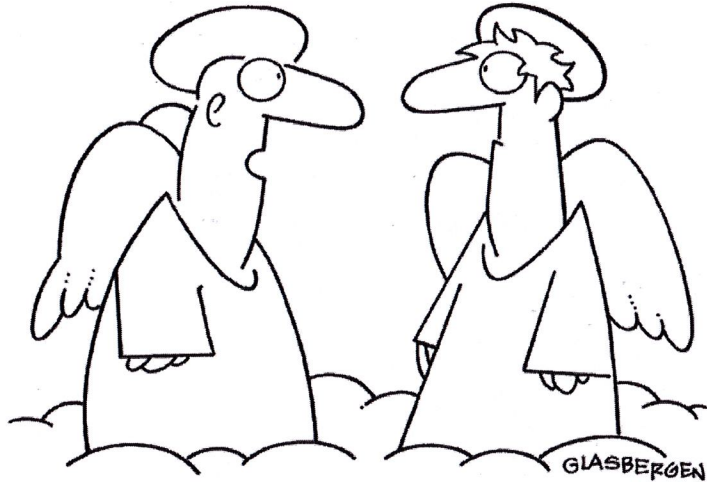

"We give thanks to God always for you all, making mention of you in our prayers, remembering without ceasing your work of faith, and labor of love, and patience of hope in our Lord Jesus Christ, in the site of God, our Father." – I Thessalonians 1:3

Peace be with you,
Pastor John

Mission of the Month of September:

This Month's

MISSION

ZOE International Mission Statement

REACHING EVERY PERSON.
RESCUING EVERY CHILD.

All authority in heaven and on earth has been given to me. Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age. Matthew 28:18-20 (ESV)

ZOE International is a Christian anti-human trafficking organization with the mission to bring the Good News of Jesus Christ and to make disciples of the unreached people of the world and to demonstrate God's compassion through rescuing and caring for orphans and children from human trafficking.

Religion that is pure and undefiled before God, the Father, is this: to visit orphans and widows in their affliction, and to keep oneself unstained from the world. James 1:27 (ESV)

VISION: EVERY PERSON REACHED. EVERY CHILD RESCUED.

And this is eternal life, that they may know You, the only true God, and Jesus Christ whom You have sent. John 17:3 (NASV)

ZOE International's vision is to fulfill God's dream that every person on earth will know Him and possess eternal Life through Jesus Christ; and, that in lands where Christ is unknown, His love will be experienced, His Kingdom will reign, His Church will be built, His disciples will multiply, and He will be glorified for who He is. ZOE International is a 501C3

Please join us if you can. We had a very successful past year, with kits and quilt projects for Lutheran World Relief as follows:

Additionally three quilts, (one of which was made by Leah Bishop and Brooke Wendel) and two pillows (made by Evelyn Diebel and Madeline Hoy) were distributed by John and Margie Swannack to veterans at Warriors' Weekend. Also, one quilt was sent to Lutheran Sunset Home in Clifton, Texas as an auction item for their fund raising event.

- Christian Warriors retreat will be held for the second time at the end of October. It will again be held at the El Shaddi Retreat Center in Yorktown. The retreat is a 72 hour spiritual renewal through Jesus for Veterans by Veterans. This year the veterans who went last year will serve as team members. This will be St. John's fourth year to support this retreat which has grown to include a retreat in the spring also. We hope to have the warriors at worship on a Sunday in the near future to give testimony on their experience at the retreat.
- Planning an Ice Cream Social for October.

Members: Cindy Egg, Candy Cowley, Beth Reinecke, Terri Jank-Team leader.

- Providing lunch on Sunday July 31 for the counselors coming to teach Bible School.
- Preparing and serving a pancake breakfast during Sunday school on Rally Sunday, August 21.

Parish Education report

Submitted by Kathy Dunn

- Planning for Vacation Bible School Day Camp is coming together. Pam Haun has volunteered to coordinate the Kitchen again this year. I will purchase a lot of the food for the twice daily snacks and we will have a sign-up sheet for more food items and the evening meal for the counselors. They could eat twice a week at the Meyersville country club. Several possibilities for housing are pending. I will be the local contact person.
- The counselors are due to arrive before the end of the service on Sunday July 31st. I am looking for volunteers to bring food after church for a meet and greet and/or lunch meal for the counselors and our volunteer counselors, so they can have their training after lunch.
- Wanda and I met last week to look at curriculum, but nothing has been decided. Rally Sunday and Back Pak Blessing will happen on August 21st. Terri Jank and the

Parish Life Committee will provide a pancake breakfast.

The Property Team

August: Elevator maintenance. Clay & Vance

Check Bathroom & Kitchen Supplies—
Clean and tidy up storage areas.

Computer maintenance - Dickie will check with secretary.

Items Complete.

- Church and parish hall carpets do not need cleaning. Will be cleaned after Bible school if needed.
- Council approved fence on west property line and Robert Kainer was notified. Will start construction in next two weeks.
- Projector screen hung in Sunday school class room.
- A meeting was held on July 17, 2016 at 7:00 pm for congregation members to discuss basement improvements as well as other church renovations.

Old Business

- Insurance requirement policy. Marv met with James Crain III and Mr. Crain's position is that we are adequately covered.
- Surface drainage project underway. The drainage pipe and curb are installed. Final grading is in progress.
- Revision of cemetery rules. A committee consisting of Marv, Dickie, and cemetery committee will review the rules and make recommendations. They will also look into cemetery rules to post.

New Business:

- Patrick Ohrt met with the team to discuss recent bill and needed information for our informational meeting on July 17. Patrick discussed the bill for the basement

demolition as well as future billing on the total renovation project. We will need to decide if we want to use hourly billing or percentage of project costs billing. Patrick presented two conceptual designs and a cost estimate for basement renovation for consideration at the informational meeting July 17.

- Volley ball light bids. Proposals from Hall Electric and Goyen Electric were discussed. Goyen Electric proposed to do the job turn-key whereas Hall Electric will not give us a turn-key price. The property team felt that the bid of \$4690 is a reasonable price and therefore recommends that we hire Goyen Electric.
- The chain link cemetery fence is being wrecked by the cattle. We will need to construct an electric fence around the cemetery to protect our fence. Dickie will discuss with Daren Otto.
- Use of basement for vacation bible school. The team agreed that the basement in its present condition is unsafe for bible school.

Projects:

- Inventory of furniture and equipment & report to Church Council. Dickie
- Brush clearing at the creek. We will meet to determine what is needed and decide the best method to get accomplished.
- Road to creek. Gravel through the low area. Bryan Nethery has offered to donate one load of gravel. Pastor will contact Bryan.
- Door for lawn mower shed. Britton.
- Patch roof on parish hall. Britton.
- Equipment box at volley ball court. Vance
- Called property team meeting on July 24, 2015. A called meeting of the property team was held after church to discuss the information meeting on church renovations. We had the following recommendations:
 1. The property team will recommend to council to set up a fund for the elevator-basement renovations. This fund is to encourage giving toward these renovation projects.

2. Recommend that we continue to work with the architect to proceed with final drawings and necessary contracting package for the elevator-basement renovations.
3. We also decided to use the left over soil from the drainage project to fill a low area in the church yard if this is agreeable with the contractor.

Items for council approval:

- Approve the bid of \$4690 from Goyen Electric for volley ball lights. Motion was presented by Dickie and seconded by Mitchell. Motion passed.
- Motion was made by Obert to set the date for a called congregation meeting on August 28, 2016 immediately after church services to get approval from the congregation to create an 'Elevator/Basement Fund' to collect funds specific for that project and approval to proceed with architect package, developing drawings, etc. Seconded by Dickie. Motion passed.

Worship Team report

Worship Team met on the 5th of July 2016. Members Beverly Bodden, Johnny P Jank, Virginia Jank, Carol Ann Sagebiel, Norrean Sager, and Bruce Weise were present. Pastor John was on vacation, Marv Sager & Dawn Otto had previous commitments.

Old Business –

- **Graduate Sunday** was discussed. There were no gradates the original “planned” Sunday of June 12th. We announced it for the following Sunday and Sarah called all parents involved. Will try to plan it better for next year.
- **Song choice Sundays** were discussed and only singing 2 verses so it might free up some additional time to do a few more selections. Bruce did this for Father’s day this year and we may have done one or two more than before. Will continue to use this moving forward.

- **Pastor John on Vacation** was discussed and Jason Ohrt supplying for that Sunday. Johnny had talked to him and let him know if he needed anything the Worship Team was there to help. He sounded like all was going well with his preparation and he was ready.

POST NOTE: (Worship Team held the meeting prior to the service) Jason did a wonderful job with the service, the children’s message, the sermon, and the prayers. We heard nothing but praise for a job well done. St John is certainly blessed to have him as a resource to help in Pastor John’s absence.

- **Contemporary Service** is scheduled for July 31st service. We will have Dave Eihler and their praise band ‘Broken Vessels’ from Flatonia to bless us with live music for that Sunday’s service. We need to get the word out for this event.
- **Confirmation robes** and the need to update ours due to the current condition of the existing ones was discussed. We did not have information to review so it will be on next month’s Old Business. We will try to acquire some information regarding options to replace the existing ones.

New Business –

- **Rally Sunday** was discussed and we talked about how the service might incorporate that theme. We will check with Parish Ed if changes need to be made and we chose “Have No Fear, Little Flock” (476 LBW) and “Jesus Loves Me” for song selections for that morning.
- A brief **explanation** of the **scripture lessons** was discussed. Some lectionary inserts give a brief explanation prior to each lesson. Since time is a consideration, we will look into the possibility of just putting this information into the bulletin instead of adding to the readings. We may look at putting this on the back page since it will not fit into the order of worship, similar to information already on the back page. We

will see what is available and discuss it next month.

- Bruce asks that we consider looking into the possibility of getting the air pump and motor of the organ into an area that would supply **conditioned air to the organ**. This would be a property team issue and there is an informational meeting at which this could be addressed. We will also research this with future information to be relayed to the Property Team to consider during the potential renovation plans.
- **There being no additional new business** brought to the Team we assigned songs for worship for the Sundays from the 14th of August through the 4th of September 2016.
- Next month's meeting is scheduled for the 2nd of August @ 7:00PM.
