VOL. 43 NO. 7

Greetings,

“We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.”

The Declaration of Independence has been and continues to be the model for freedom around the world. America is the longest surviving democratic republic because of the principles that are recorded in this document. There is a reason that over the past 200 years that millions of immigrants have come to our shores. The American dream is fundamentally about the principle of freedom! But make no mistake the American dream of freedom was birthed by those who were seeking religious freedom, people who had been persecuted and driven from their homes came to America to freely practice their religious faith. It is evident that these men traced their rights to the freedom given to them by God, not to a human government or an earthly monarch but to the Creator and Supreme Judge of the universe. Our true freedom comes from God. Through the grace of God, we have all received true freedom from sin. The past few weeks our lessons have been from the book of Galatians where we have learned that we are saved through faith alone.

When we receive Christ as our Savior, we become a new person. A person that is free from sin.

The past few weeks we have heard how sin makes us prisoners. It is a barrier between us and God. But Jesus can remove these barriers so we may have a relationship with God. A true personal relationship. But this freedom does come with some responsibilities. It is not enough to receive God's truth - we must retain and walk in it. And it is only when we receive the truth, love it, keep it, and walk in it, that we are the genuine disciples of Christ.

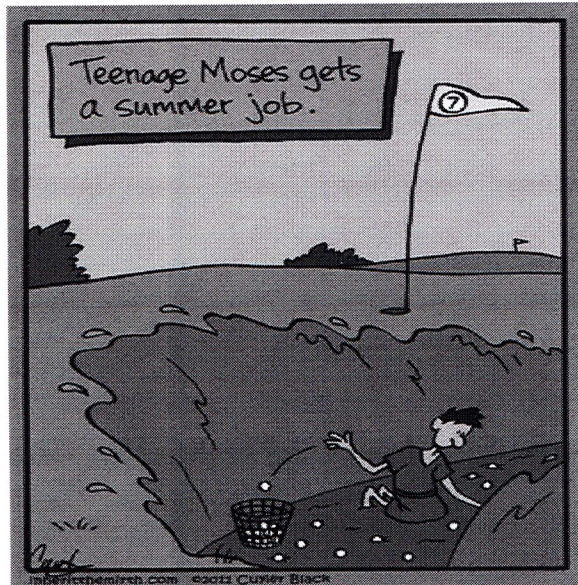

As we celebrate on Independence Day let also remember the independence from sin that has been given by the grace of God.

May you all have an enjoyable Fourth of July!

God's blessings

Mission of the Month of July

Life at Its Best Foundation House of Palms

The House of Palms is a Scholarship Program for expectant teen mothers and their children.

The heart of the program is to embrace and strengthen their potential equipping them for a better future. Each resident will be provided with a room and living space for them (and their child) food, on-site day care and on-site guidance 24/7. They participate in an Intern Program learning marketable skills that will allow them to become self-sufficient. The home is a Christ-centered home of second chances, promoting self-sufficiency, emphasizing teamwork in a compassionate, caring, positive and encouraging environment. The young mothers will be able to sustain themselves based on improved skills and technical skills taught at House of Palms. They learn honor and a healthy self-respect to maximize personal growth and save children from a life of dependency, crime, poverty and hopelessness

The program is designed to accommodate up to 10 juniors or seniors that are from VISD and surrounding districts who can commit to the faith-based program. The young mothers are selected by how well they exemplify honesty, respect and a willing heart.

House of Palms is a 501C3 organized under the leadership of Faith Family Church in Victoria. Col. Mike Petrich is the Administrator (not paid)

The house opened in September of 2018.

I ♥ VBS

Our children had a WONDERFUL week with the counselors from Lutherhill Ministries learning about our Wondering God, Being Wonderfully Made. Our Wonderful World, Wrestling with Wonder & Wondering what's next. Thanks to: Counselors, Jr. Counselors, Campers, Parents & Volunteer Staff.

Parents Rally

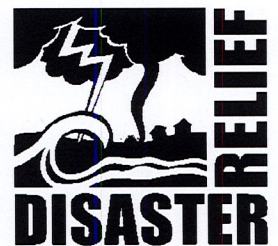

There will be a "Parents Rally" **Friday, July 12th at 6:30** at the Meyersville Country Club.

Kids are welcomed as well as anyone who wants to be a part of our Sunday school program.

Food will be served. Hope to see you there!

NALC Disaster Relief

We will continue collecting **Health Kits and Flood Buckets** for the NALC Disaster Relief indefinitely. Because the Texas warehouse was totally depleted of all the disaster relief items during the recent tornadoes and flooding in the midwest we will continue to try to stock it for the next need. The instructions for building them are in the back of the church in a folder. Norrean Sager has made about 30 bags for the health kits and Norrean or Linda will be glad to get as many as you need from storage. If you just want to purchase some of the items, Linda will put it together. Leave the items in the kitchen at church. Linda will collect them if you let her know - (361) 275-2059.

Bible Study

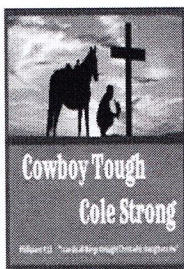

What does it mean to be a disciple of Christ? The dictionary describes a disciple as a follower, student or apprentice of a teacher or leader.

Our Sunday Morning Bible study begins a new Two Part series titled "Disciples of the Cross". Part one is "Who We Are" and will be followed by Part Two, "What We Do". Our group invites you to join us for this interesting look at "what it means to be a disciple of Christ and how that plays itself out in many areas of life and ministry." Just get up a little earlier and come in for a cup of coffee, a couple of donut holes or a cookie or two, some fun fellowship and a discussion of our lesson and current events each Sunday morning. We would love to have your input.

Special Prayers for Cole

~UPDATE~

After extensive research, many prayers and overwhelming support, Cole is in China for treatment of his injury. It

is felt this is the best chance for his recovery. Cole will be in China possibly up to six months for this treatment. We ask that you will keep Cole and his family in your prayers each and every day as they continue on this difficult journey. God has been with Cole every step of the way and by faith we know he will continue to do so. We want to thank each and every one for the past thoughts, prayers and support for Cole and his family. They have truly been a blessing. May God bless you all.

+Please pray at 12:00 PM daily for Cole+
At his request, these are the prayers he has on his list:
Healing- physical, emotional & spiritual
To help family stay strong
Patience
Stay positive
The drive to keep trying (perseverance)

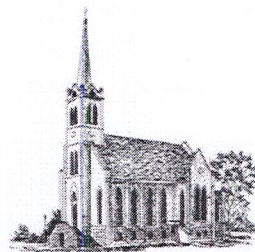

Communion Cards

St. John provides tan cards in the pew backs that need to be filled out on communion Sundays. Please provide the names of those attending communion and check attending communion at the bottom. You may place these cards in the offering plate. This helps us keep count of communion attendance. Thank you!

Church Renovation Update

Roth is currently finishing up installing the elevator. Once installed, they can then complete the masonry and will begin installing the metal roof immediately thereafter. Canopy is to be installed in May. The estimated costs for construction, change orders, materials testing, architect, and incidentals is \$599,553. We are required to pay as construction progresses so the bills are coming in on a regular basis. This project received almost unanimous support so we ask that you prayerfully consider giving generously to this project.

GOAL: \$599,553

RECEIVED AS OF June 23, 2019: \$403,095

WORSHIP TEAM REPORT

May 2019

The Worship Team members Beverly Bodden, Pastor John Boor, Johnny P Jank, Virginia Jank, Carol Ann Sagebiel, Marv Sager, Norrean Sager, and Bruce Weise attended the meeting held on 7th of May 2019 at the St John parish house at 7:00 PM.

Ongoing Business discussed included:

Altar Candlesticks will remain on the "Wish List" as an item the Worship Team would like to be

considered for someone or family to donate in memory or in honor of a loved one or family member.

Altar Candelabras continue to be a “Work in Progress” to keep them straight in the holders.

Organ repair and maintenance was discussed as the spring tune-up was completed. The technician said it seemed to be the normal items that are wearing out that they worked on. We will review bill as it is received.

Song leader request that was made in the past will continue to be an item we will see if someone might be willing to assist in this. We will possibly use this on an “as needed” basis. If we have a less familiar song, we want to try we might ask Brenda to help us “learn” something new. This will take some coordination so it can be practiced with Bruce.

A Piano has been purchased from Tori & Ed Green. We will try to get it moved into the parish hall this month.

New Business discussed included:

A request to review how we “**Share the Peace**” was discussed. It seems that often the “Sharing the Peace” of Christ can get somewhat chaotic and we find ourselves using this time to visit rather than how it is intended. The Team agreed that the simple sharing of the peace, that is a gift of Christ with fellow believers, can continue to be done in a way that is welcoming to visitors and fellow worshippers alike without getting too disruptive to the flow of the worship service. We may put something in the bulletin or newsletter to explain the “Sharing the Peace” part of the service.

The Team spent a considerable time reviewing the **Facilities Use and Wedding Policy** and some suggested changes. The Team agreed on the instruments and forwarded them on to the Property Team for their review.

There being no additional new business the Team reviewed the upcoming Worship Services and assigned songs for worship for services from 26th May through 16th June. Additional selections for the balance of June and July were selected after the meeting due to the length of the meeting.

ADDITIONAL DISCUSSION: It was noted that no communion cards were available during the Grave Decoration Sunday’s communion service. Suggestions were requested so that some record can be made of those attending communion the next time

it is available during services like this under the trees. The Cemetery Rules should be made available to all members in the back of the church and in the newsletter. It was also suggested that our

Constitution and any regulations pertaining to our church and our property should be assembled and given to anyone that joins St. John Evangelical Lutheran Church, Meyersville, Texas.

The parts needed for our Church sign are here and need to be replaced on the sign to get the sign properly working again.

A flyer on a second workshop on cemetery preservation was presented to members of council. Anyone is welcomed to attend.

There being no further business, the meeting closed with the Lord’s Prayer.
