November 2021

VOL. 45 NO. 11

Greetings,

The past 18 months has been difficult for just about everyone. The Corona Virus has affected everyone to some degree or another. Some have lost loved ones, some have lost their jobs, some are struggling to make ends meet, and still others are suffering from depression. I am sure that there have been times when it has been difficult to sense God's presence in our struggles, let alone thank him.

It is a lot easier to say "Thank you," when we feel safe, secure comfortable and in control. Difficult times, like the ones we have been experiencing, remind us, though, that giving thanks is not necessarily connected to what we possess. More often it is connected to what we have been given.

If we read Matthew 6:25-33 we see that God cares for His creation. The point of the story is not the amount that God will provide, but the truth that God will provide and that he cares.

This Thanksgiving we can give thanks that God cares about each and every one of us.

God has called us to be his people and his body. At our baptism, God made us a member of his family, filled us with the Holy Spirit, and empowered us to be lights to the world by our words and our actions. Our faith in God enables us to redirect our energies. Knowing that God will provide all that we need enables us to live a life without worry, a world where we can focus on God and His plan for us. He will always be with us, watching over us, and providing what we need, when we need it.

God promises us that as we seek first God's kingdom, God will make sure that all of our needs are met. This is a promise of God and God never goes back on his promises.

This Thanksgiving we can give thanks that God is by our side, walking with us, and providing for us. No matter what our situation in life we can give God thanks and praise. God continues to bless us with his care, and provision.

I wish all of you a Happy Thanksgiving, and may God bless you all.

God's blessings

Pastor John

St. John Lutheran Sunday School & Youth Group Christmas Program Information

Christmas is right around the corner, and it's time to prepare for our Sunday School Christmas program! "The Village of Bethlehem" will be held on Sunday December 19th at 6:00 pm outside under our new covered walkway. Each class will be assigned a booth to create and learn about for the program. These parts of the play will be practiced during Sunday school starting at the end of October. As an example, our Pre-K and Kinder class will be The Shepherds booth. They will learn in their classroom what a shepherd did, how they took care of their flocks, what the animals ate and drank, etc. They will also be working on decorations for their booth. During the program, the booths will be setup for all attendees to pass by with a list of questions you can ask the students. All the booths will be setup in a village format to allow all attendees to see and visit every booth. The Live Nativity will also be setup to complete our Bethlehem village! Each class will also learn a Christmas song to sing with their class, which will be performed at the beginning and ending of the program so all attendees can watch.

We hope you are as excited about this program as we are! We're looking forward to learning more about each of the booths in the village and seeing all the decorations the students create! It is highly important to keep attending Sunday school from now until the program. Each class will be working on their booths in addition to their daily lessons. The students will also be practicing their songs for the program in their classes. Please contact us with any questions, and we thank you so much for having your child be a part of our Sunday School program.

+ UPDATE + Special Prayers for Cole

Cole is at home doing well surrounded by the love and support of all his family and friends. He continues to have therapy on a daily

basis at his home and is now receiving therapy in Victoria on his new fabulous walking machine, the Lokomat Pro. This machine is a robotic training system that allows Cole's legs to be attached to robotic legs that assist with basic walking functions. It's an awesome machine and God has truly blessed Cole once again. Cole and his family want others, in need of this type of therapy, to share in this wonderful blessing and be able to also use this machine. God is truly at work thru Cole. God continues to be with Cole each and every day strengthening his faith, patience, and courage as he travels down this long and difficult journey. We thank each and every one again for all your prayers, concerns, and support for Cole and his family. We ask for you to continue praying for Cole's healing and for strength and patience for him and his family. Thank you and God Bless.

+Please pray at 12:00 PM daily for Cole+

At his request, these are the prayers he has on his list:

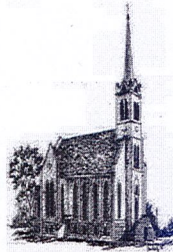

Healing- physical, emotional & spiritual

To help family stay strong

Patience

Stay positive

The drive to keep trying (perseverance)

I plan on attending a Mission District Pastor's Retreat on 10/19 – 10/21. The cost is \$275 and I am asking if the church would pay for it.

Council discussed the Organ Committee's recommendations. The information on the 2 bids they received will be in the Narthex for the congregation to review, and we will have an informational congregational meeting to attempt to answer any questions the congregation might have after Worship on October 17, 2021.

FINANCE COMMITTEE

The Finance Team met on September 20, 2021 with Marvin Sager, Glenn Ruschhaupt, Archie Abrameit, and M'Liss Moore present. Glenn led with the opening prayer.

A review of the August financial reports showed no abnormalities. It was noted that contributions have been generous this year.

After review of feedback concerning a donate button on the church website, it was determined that little to no interest was shown in support of this feature. If interest arises in the future, the team will review again.

In preparation for the annual budget proposal from the team, we ask all team leaders to have their requests to the office no later than October 29, 2021. Year-to-date reports specific to the team, can be obtained from the church office.

After discussion, it was decided to move the next meeting to November 8, 2021 to allow preparation time needed to work on the 2022 budget. We closed with the Lord's Prayer.
