VOL. 47 NO. 1

Greetings,

A few weeks ago in my message I asked if you hear what I hear. My point was that we are often so busy living our lives here on earth we miss many things that God is giving us. We miss the miracles that God is still performing in our presence. We fail to appreciate everything God has for us.

I recently read an article that I believe illustrates this perfectly.

In Washington , DC , at a Metro Station, on a cold January morning in 2007, this man with a violin played six Bach pieces for about 45 minutes. During that time, approximately 2,000 people went through the station, most of them on their way to work. After about 3 minutes, a middle-aged man noticed that there was a musician playing. He slowed his pace and stopped for a few seconds, and then he hurried on to meet his schedule.

About 4 minutes later:

The violinist received his first dollar. A woman threw money in the hat and, without stopping, continued to walk.

At 6 minutes:

A young man leaned against the wall to listen to him, then looked at his watch and started to walk again.

At 10 minutes:

A 3-year old boy stopped, but his mother tugged him along hurriedly. The kid stopped to look at the violinist again, but the mother pushed hard and the child continued to walk, turning his head the whole time. This action was repeated by several other children, but every parent - without exception - forced their children to move on quickly.

At 45 minutes:

The musician played continuously. Only 6 people stopped and listened for a short while. About 20 gave money but continued to walk at their normal pace. The man collected a total of \$32.

After 1 hour:

He finished playing and silence took over. No one noticed and no one applauded. There was no recognition at all.

No one knew this, but the violinist was Joshua Bell, one of the greatest musicians in the world. He played one of the most intricate pieces ever written, with a violin worth \$3.5 million dollars. Two days before, Joshua Bell sold-out a theater in Boston where the seats averaged \$200 each to sit and listen to him play the same music.

This is a true story. Joshua Bell, playing incognito in the D.C. Metro Station, was organized by the Washington Post as part of a social experiment about perception, taste and people's priorities.

This experiment raised several questions:

- *In a common-place environment, at an inappropriate hour, do we perceive beauty?
- *If so, do we stop to appreciate it?
- *Do we recognize talent in an unexpected context?

One possible conclusion reached from this experiment could be this:

If we do not have a moment to stop and listen to one of the best musicians in the world, playing some of the finest music ever written, with one of the most beautiful instruments ever made . . .

How many other things are we missing as we rush through life?

Do You Hear What I Hear?

God's blessings

+ UPDATE + Special Prayers for Cole

Hello everyone! Hope you are all enjoying this cooler weather! Cole, not so much. He hates the winter time daily because he burns all over when he gets cold. He loves to be outside so

this makes it miserable for him when it's cooler. He pushes through it like he does everything else but maybe pray this burning will stay away. Cole has reached a cool milestone recently. He has officially walked over 100,000 steps on his Lokomat machine! He faithfully goes twice a week to work an hour on the Armeo are machined then walks on the Lokomat even though he really doesn't feel like it some days. That on top of all the therapy he does at home. He's hard-headed and sometimes that serves us well! Cole has been staying healthy otherwise so we are always Thankful for that. Thank you all for your continued prayers and support. Also, please pray for another boy, Holden, who sustained some very serious injuries in an ATV accident recently. In addition, please pray for his parents and doctors as they move forward in the care and needs of Holden. Thank you and God Bless.

+Please pray at 12:00 PM daily for Cole+

At his request, these are the prayers he has on his list:

***Healing- physical, emotional & spiritual
To help family stay strong***

Patience

Stay positive

The drive to keep trying (perseverance)

Pastor Report

Confirmation class is going very well. It is one of the best classes I have had.

Reclaiming Christian Anthropology:

Gender Ideology and Our Pastoral Response

January 31-February 2, 2023, Drury Plaza Hotel San Antonio Riverwalk, San Antonio, Texas

"Male and female He created them." Genesis 1:27b

It has become clear that NALC pastors are seeking deep and meaningful theological content, while also being provided with "on the ground — real life" application.

Is there a timelier topic requiring in-depth biblical and theological reflection — as well as reasoned, faithful pastoral response — than the current issues relating to biblical/Christian anthropology? The current confusion related to gender ideology has raised questions and challenges for parents, youth and children, as well as for pastors and congregations ministering to these persons.

The speaker for the 2023 NALC Pastors' Conference will first present a clear understanding of Christian anthropology and then discuss the current attack on such anthropology from the gender ideology advocates. Following the presentation will be small and large group discussions, and engagement related to real-life situations and scenarios.

The keynote presenter will be Dr. John S. Grabowski, Ordinary Professor of Moral Theology and Ethics, Catholic University of America and author of the recent book, *Unraveling Gender*. A native of Wisconsin, Dr. Grabowski is a graduate of the University of Steubenville and Marquette. He has been on the faculty of CUA for thirty

years. His expertise includes fundamental moral theology, marriage, sexual ethics, theological anthropology, virtue theory and gender issues. He and his wife served on the Pontifical Council for the Family, appointed by Pope Benedict XVI in 2009 and has served two terms as a theological advisor on the USCCB Council on Laity, Marriage Family and Youth. In 2015, he was appointed by Pope Francis to serve as an expert at the Synod of Bishops on the Family. Dr. Grabowski has published widely in the areas of moral theology, marriage, sexuality and bioethics.

Again, this year, several of our pastors and theologians will present a response to the presentations, followed by panel discussions.

In addition to plenary sessions on the theme, there will be opportunities for one-on-one meetings with NALC staff, a presentation by Hahn Financial Group, private confession and absolution and the annual meeting of the NALC Ministerium. The NALC Ministerium will include a Holy Communion service, the renewal of ordination vows and a blessing of oil which will be distributed to pastors for use in local NALC congregations.

There being no further business to come before council, the meeting closed with The Lord’s Prayer.

Respectfully Submitted,

Cemetery Regulations - Adopted 04/23/2019

FRIENDLY REMINDER:

PLEASE HELP TO KEEP OUR CEMETERY AND ADJACENT GROUNDS LOOKING THEIR BEST....

CEMETERY DECORATIONS

In respect of those buried in this cemetery, St. John Evangelical Lutheran Church feels responsible for keeping our cemetery presentable and well maintained into perpetuity. In order to accomplish this at a sustainable cost, all users must abide by the following rules concerning decorations:

- A. In-ground vases, ornaments, figurines, statues, pictures, glass or other breakable containers, trellises, shepherd hooks, loose flowers, solar lights, or any commemorative articles of non-degradable materials are not permitted and will be removed and discarded without notice.
- B. All vases shall be attached permanently to the headstone or slab or be of sufficient weight to resist windy conditions. All flowers shall be adequately secured in the previously described vases to keep them from blowing out. Loose flowers on graves will not be permitted.
- C. White solar powered decorations are allowed (one per grave) if they are attached to the headstone or base and not placed in the grass.
- D. Funeral flowers and wreaths placed on fresh graves shall be removed within two weeks of the funeral.
- E. Flags look impressive on a cemetery, but they fade quickly and usually do not stay upright long if placed directly into the ground. If flags are used, they shall be placed in a small diameter pvc plastic pipe driven into the ground next to the headstone as to not impede mowing. Only one flag per grave is permitted.

The cemetery committee at their discretion shall remove and discard any decorations that they deem inappropriate.

THANK YOU

The Meyersville ISD recycle trailer is back in business. This convenience is for everyone in the community to utilize with the school maintaining the project. Please remember, all recyclables must be loose (not bagged) when being placed in the proper bin.
